FOURTH GRADE NEWSLETTER

Welcome to 4th Grade!

by *MRS. ERBSTOESSER*

Hello all!

I cannot believe we are actually here! I am so excited about all of our wonderful adventures this year! First things first, please make sure you have gone over all of the contact information on the cards that were sent home. This card will help you immensely throughout the school year! Secondly, make sure you have had a chance to look over the information that was put outside, as well, such as the "About the Teacher", "Tell Me About You", and the "Reading to Learn Information Packet". Please make sure to check our classroom website daily to keep up with homework and announcements. It is going to be a fantastic year and I can't wait to spend it with all of you!

Thank you all for such a wonderful school year!

Have a lovely summer,
Mrs. Erbstoesser
