FOURTH GRADE NEWSLETTER

Happy First Week of Spring!

by MRS. ERBSTOESSER

Hello all!

This is a Spelling Bee week so please remind your students that they need to bring home all of their Spelling Packets If they would like to study. We will be using our Language Arts time to practice for our Standardized Testing which will be April 5-7th. Can you believe that is already around the corner?

For Language Arts homework, your student will simply be studying for the Spelling Bee so no Spelling 3x each, Super Sentences, or Vocabulary Practice. Also, please make sure you are checking the homework page on the website so that your student can answer the Reading Log questions.

One more thing, as we are practicing for Standardized Testing, please remind your students that who they are as people and students are not dependent on these tests. This is simply a way to collect data on how what students across the state have learned thus far this year. No matter how they do, they will always be the bright, confident, kind, and caring 4th graders I have always known them to be.

Have a lovely week,
Mrs. Erbstoesser
